

### REMARKS

Claims 1-21 remain pending. Claims 1-11 and 17-21 are allowed. Claims 12-16 are amended herein. No new matter is introduced as a result of the Claim amendments.

### CLAIMS

The Applicants wish to thank the Examiner for indicating the allowable subject matter of Claims 1-11 and 17-21. Claims 12-16 are objected to for referring to a high speed channel selector in the preamble rather than an evaluation board as recited in independent Claim 9. The preambles of Claims 12-16 have been amended and now recite the evaluation board of Claim 9. Accordingly, the Applicants respectfully request withdrawal of the objections to Claims 12-16.

### CONCLUSION

Based on the arguments presented above, the Applicants respectfully assert that Claims 1-32 overcome the rejections of record and, therefore, the Applicants respectfully solicit allowance of these Claims.

The Examiner is invited to contact Applicants' undersigned representative if the Examiner believes such action would expedite resolution of the present Application.

Respectfully submitted,
